

## Global Women's Breakfast 2026 (GWB 2026)

- Date:** 10 February 2026
- Time:** 9:00 – 11:00 AM
- Location:** Kolarjeva Lecture Room, Jožef Stefan Institute (JSI)
- Hybrid event.** Register at: <https://forms.gle/azciV1rGpgavdtQ17>

### About the Event

Organised on the **International Day of Women and Girls in Science**, 10<sup>th</sup> of February 2026, the goal of the “**Global Women’s Breakfast**” (GWB) event is to establish an active network of people to promote gender equality, visibility, and community building in chemistry, materials science, and related fields. The event provides a safe space to discuss challenges and opportunities faced by women in STEM, showcase achievements, and encourage career development. Open to students, early-career researchers, established scientists, and anyone interested. The event is open to all genders.

### Programme

- 9:00 – 9:15: Opening Remarks**
- 9:15 – 9:45: Scientific Presentations**
- 9:45 – 10:00: Coffee break**
- 10:00 – 10:45: Roundtable Discussion on Women in STEM on:**
  - The Importance of Mentorship and Community
  - Challenges and Opportunities of Women in STEM in Slovenia
  - Balancing Personal Life and Career
- 10:45 – 11:00: Closing Remarks and Future Outlook**

### Why Attend

- Network with women scientists across disciplines at JSI.
- Gain insights on career strategies and overcoming challenges.
- Contribute to building a supportive, inclusive scientific community at JSI.

### Registration & Contact

Free participation, but spaces are limited – for in person participation please register at <https://forms.gle/azciV1rGpgavdtQ17> until 6. 2. 2026.
