Mednarodni projekti v izvajanju

Funded from
the ICT budget

- H2020

- eWINE : The elastic Wireless Networking Experimentation
- Fed4FIRE+ : Federation for FIRE PLUS
- WiSHFUL : Wireless Software and Hardware platforms for Flexible and Unified radio and network control – TestLAB OC
- NRG-5 : Enabling Smart Energy as a Service via 5G Mobile Network advances
- DEFENDER : Defending the European Energy Infrastructures
- SAAM : Supporting active ageing through multimodal coaching

2 x FIRE, 1 x FIRE OC, 1 x 5G-PPP

- ESA

- SatProSi and SatProSi-Alpha
 - Ka/Q-band Propagation Measurements and Modelling for the Design of Prediction and Impairment Mitigation Techniques

Kako priti v razmeroma zaprte kroge partnerjev?

- Prijave na manjše posredne razpise tekočih projektov (Open Calls), kaskadno financiranje, fleksibilno financiranje v NGI,...
 - Zahteva s strani EC na nekaterih podpodročjih npr. FIRE/FIRE+/NGI-EXP, IoT, I4MS, Robotics, ... vse več razpisov tudi preko PPP
 - Spremljati OC in PPP razpise ter v splošnem delo tovrstnih projektov in platform (**še ni enotnega portala**)
 - Bistveno višji "success rate" kot na rednih razpisih, hiter obrat
 - Preko nadpovprečnih rezultatov postati zanimiv za prihodnje prijave

The screenshot shows the European Commission Research & Innovation Participant Portal. At the top, there's a navigation bar with links for A-Z, Sitemap, About this site, Contact, Legal Notice, Search, and English. Below the navigation, the page title is "RESEARCH & INNOVATION Participant Portal". The main content area is titled "Open Competitive calls and calls for third parties". It lists several calls:

- RISIN Open Call
- Inno4Innovate Innovation Voucher
- SuperBIo call for third parties
- SCHIP
- F-Interisip - Second Open Call (highlighted with a red border)
- IMPACT GROWTH 2nd Open Call
- PERIMIDES Open Call
- RoboMolys open call

Below this section, there's another titled "Closed Competitive calls and calls for third parties" which contains a single entry: "Third Open Call SoftFIRE". At the bottom of the page, there's a link: <http://ec.europa.eu/research/participants/portal/desktop/en/opportunities/other/competitive.html>.

Kako priti v razmeroma zaprte kroge partnerjev?

- Ciljno pristopiti k posameznim partnerjem / konzorcijem
 - Konkretna ponudba za skupno delo – bilateralno.
 - Skušati povezati take bilateralne zgodbe v večjo celoto oziroma v obstoječih konzorcijih pripraviti ponudbo za skupno delo z dvema ali tremi partnerji in se posamično usklajevati.
 - S seboj pripeljati industrijskega partnerja/končnega uporabnika/pilotno okolje/...
- Pomembna srečanja v živo
 - Izkoristiti informativne dneve v BXL ali drugje, ICT Proposers' day, ICT Event (vsaki dve leti), konference pod pokroviteljstvom EC (FIRE Forum, NetWorld, EuCNC, ...), ipd.
 - Po potrebi iti namensko na sestanek/dogodek/...
