#### ABOUT THE WORKSHOP

This presentation and open workshop will address the challenges of researchers at the beginning of their careers.

**Intensive proposal writing:** an excellent project idea and a well-written project application are essential for obtaining adequate funding. This workshop will cover all aspects of grant proposal writing in depth.

**Career planning** will follow around 11.30 a.m. with a discussion with researchers about their journey to a more established career, ending with an informal and open questions and answers session.

#### ABOUT THE PRESENTER

**Richard Wheeler** has a long background in science, spending much of his life at the University of Edinburgh and as Research Manager of labs around Europe. He is an expert in artificial intelligence and an experienced EU project manager and is also Chair or Vice-Chair of a number of EU calls.

He is presently the European Projects Manager for the European Sustainable Energy Innovation Alliance at Technical University Graz, and has a similar position at the Balkan Institute for Labor and Social Policy in Sophia.

The event will be held in English. You are kindly invited!
